If you're looking for a space to write your novel that's away from your normal routine, and where you will not be interrupted then

The Sanctuary Retreat is for you.

It will run for 7 Saturdays, from 9 until 5 starting May 8. (That's 56 hours.) The sessions will be held in the Meadowvale West Church Campus near Streetsville.

Space is limited to seven people.

The accommodations are simple:

- a table and chair in the sanctuary where you can set up your laptop and work;
- a separate room is available where you can take breaks and discuss your work;
- refreshments, including fruit and muffins to keep you going (and an open field where you can wander, if you wish)
- opportunities for feedback if you want that.
